Missionary of the Week: Whartons/Texas

Whartons/Texas- With temperatures over 110° witnessing door-to-door becomes challenging as well as getting recruits to join in their efforts. Please pray for strength through the heat and for recruits to join them. They praise God as they have been blessed by having more officers and officers' families join their church. The Whartons ask for continued prayers for the people in their ministries and the unique challenges military families face. Thank you for your prayers regarding Ben's back and neck. He continues to heal due to God's grace. Ben and Anita also ask for your prayers as they study Spanish. 65% of the people in El Paso speak Spanish, and the variations within those Spanish speakers is a challenge.
