Missionary of the Week: Frederick Christian Academy

We are thankful for the daily opportunities to impact the lives of our students and families. The month of February and March are very busy times of the year as the basketball teams finish their season, and students in 1st-12th grades start preparation for the spring fine arts competition. Please pray for strength for the students with so many activities taking place in addition to their school work. Please also pray that our staff will be strengthened and encouraged as they faithfully serve each day. FCA has its first open house on Tuesday, February 13. Please pray that God would send us families that we can partner with for the sake of Christian education.
