## Missionary of the Week: Mercers/South Africa-

Two young men, one from Hazyview and the other from Huntington, completed their first year of Bible college and intend to pursue their studies and to enter the ministry in the future. For some time, the Mercers were praying and waiting for the Lord's direction regarding starting a new church. Now, a few months before leaving for the USA they see the opportunity in two different parts of their country: Cape Town and Durban. Please continue to pray for the furtherance of the gospel and the Lord's timing especially regarding these two possible church plants.
