Missionary of the Week: Cherians/India

The Lord worked throughout 2018 and brought many souls to him, and over 100 new converts followed the Lord in believers' baptism. Please be in prayer for some of the upcoming events: Pastors conference, a closing conference, and commencement. Please also pray for the upcoming summer outreach ministry which will be all across India and the neighboring countries. Moreover, there are additional construction and financial needs for the school building. The total cost of the building is about \$600,000, and one room costs about \$20,000. Due to their financial constraints, they plan to build in stages. Hopefully, they will be able to complete at least five rooms before the beginning of the next school year in April of 2019.
