Missionary Focus

Allen & Marion Mercer: W.W.N.T.B.M – South Africa I have preached out at Hazyview twice recently, and it was such a great personal blessing. Singing with masks on was frustrating, but the corporate fellowship was so sweet. We recently starting talking about getting our church meeting again. Brother Khosa, the younger brother of Pastor Orlando, has finished his three years of Bible college in Witbank. He hopes to start a church of his own soon. Two former prostitutes were led to the Lord recently, and both now have regular jobs and are growing in the Lord. They recently led another lady to the Lord. Your finances and prayers are much appreciated. We pray for you--each church and pastor—daily!
