Missionary Focus

Troy & Oksana Manning – Baptist Mid-Missions - Bibles International We are busily preparing for our overseas trip now that things are somewhat back to normal. We will be doing a Metanoia workshop in the country of Georgia in April. We ask prayers that the work would be productive and there will be no hindrances to the work. Childcare for us is a concern as well. We will then go to the Ukraine for a short visit with our family. We ask for prayer for us to be able to keep this busy schedule and also to continue Oksana's driving practice. We have new personnel in our department and we praise God for sending them. I have completed training materials to be used in Myanmar and in Spanish speaking Central and South America. Finally, a revised Tagalog NT has arrived in the Philippines recently, which was begun in 1998 and revised by our team over the last 2 years. Thank you for your prayers for this important work.
