Missionary Focus

Phil & Debbie Melton – IBM Global - Japan Last year, in 2020, we were able to accomplish several projects that we would not have otherwise been able to accomplish. Projects were completed at camp that could only be done without campers present. Our video livestream ministry for the churches became more productive as well. A bus was purchased for the camp. We fit in work projects at the Sakahogi church and our home that improved the use of space for Debbie's English Bible classes. We established online prayer meetings and discipleship work. Unfortunately, we were only able to utilize Camp Raphayada for 3 weeks out of the entire 2020, but we anticipate that will change for 2021. In November, Debbie was provided with a free airline ticket to the States in order to see her mother who lives with Parkinson's Disease and to see grandbaby #15's arrival. We are very grateful for your faithful giving and prayers for our ministry here in Japan.
