Missionary Focus

Allen and Marion Mercer—South Africa: In February, Allen had a heart attack; he was rushed to the hospital with severe chest pains and an ECG revealed a clot in an artery. Later, an angiogram revealed all three of the main arteries to his heart were blocked: one blocked 100% and the others at 85%. By God's grace, the cardiologist cleared the arteries. Also, a new strain of Covid-19 appeared in South Africa and the Mercer's daughter, Angeline, contracted Covid. Please pray that the rest of the family, including Allen and Marion, remain healthy. Keep Pastor Stembiso in your prayers; after recently losing his wife to a stroke, his church is having some divisions.
