Missionary Focus

Ed and Barbara O'Brien—Planting Hispanic Churches in the USA: The O'Briens praise the Lord for the work He has done in their ministry a few months ago. One of the church families brought their friend Marlon to the services. He attended church faithfully every service after that. He later started a Bible study and was confronted with the question of life after death. At 44 years old, it was the first time he ever heard the Gospel. Ed led Marlon to the Lord and asked if he would like to share his decision with the church. Marlon then told the church "I just received Jesus Christ as my Savior and I feel like a burden of sin has been lifted off my chest." Please continue to pray that he will continue his new walk in Christ.
