**Sam and Penny-Sue Laterza - China - GFA -** Sam is still meeting on Tuesday nights with a group of Chinese men, teaching through basic theology with them. Penny-Sue has continued mentoring a local pastor's wife. They have been studying through the foundations of how to be a godly wife and an effective pastor's wife. For the first time in a year, we were able to hold our summer camp. In June, we restarted the English corner outreach that we were doing before the pandemic. We also started a new marriage training class with five young couples. In late July, Penny-Sue was able to plan and lead a ladies' Retreat. Lastly, we had the opportunity to travel and do in-person training. Sam taught a group of pastors while Penny-Sue had the opportunity to teach the pastors' wives at the same time.
