**Missionary of the Week: Allen and Marion Mercer – South Africa** — We are waiting for doors to open for us to come to the US as South Africa is still in America's "Red Zone". Because of our visas, we are not allowed into the US. Covid continues to dominate over here, with different restrictions still in place in our churches. Several of our pastors and missionaries have had the virus. Please pray for the De Lange family. Anthony fell from a ladder and crushed both his legs. I have had two more attacks of Meniere's disease which is a disorder of the inner ear that causes severe dizziness, ringing in the ears and hearing loss. Although they were not bad attacks, they did restrict me. Marion also has neck pain and headaches. We are thankful that these are minor. Thank you to each of you for your support.
