Missionary of the Week: Warren and Lara Vergiels — Brazil — Since our inauguration services for our new building about a month ago, we have had visitors attend our services on a regular basis. Rodrigo and Elaine attended the Sunday evening service of the inauguration conference and have expressed interest in becoming members of our church. They were troubled by many of the practices of the pentecostal church they attended and were looking for a church that has a greater focus on faithfully preaching the Scriptures. Another family, Marcos, Susi and their 16-year-old daughter, attended an evening service a couple of weeks ago. They recently moved from the city of Sao Paulo and were members of a Baptist church there. Please pray that the Lord will continue to guide these two families and that, Lord willing, they will become part of our church. Next month we will have a seminary student, Sid, join our ministry team for a two-month internship.
