# Announcements

**A note from the Ramlers:** Numbers of people have asked how they might be a help to us regarding Jack. Our son cannot eat or drink anything for several more weeks. Lindsay, his wife, has taken a medical leave of absence from her job to tend to Jack who is in constant discomfort and suffering. I believe the best help right now would be encouragement. Jack's birthday is June 7, so this is perfect timing for notes and cards. Thank you for your concern & prayers.

## Missionary of the Week

**Jon & Lena Stover—Germany**—We are at about 85% of our pledged support and are beginning to look at a departure date for our mission field. We anticipate that we will be fully supported by the end of this summer. In the early spring we visited churches in Maryland and then traveled down to Texas and Arizona. May brought us back to our home neighborhood in Maryland. We praise the Lord that Lena finally received her green card. We appreciate continued prayer for Lena's mother in Crimea. There is no practical way to get her out of the country at this time. We have peace that God will protect her. We do pray specifically that God would continue to provide for her daily needs. Please pray for continued safety in our travels and our support goal. We also ask prayer that Germany would lift travel restrictions entirely so that we may transition smoothly to Germany.
