Missionary of the Week

Seth & Cecilia Mohenu—West Africa—All of our ministries are doing well and growing numerically and spiritually. For Faith Christian Academy, please pray that we are able to pay our debt in full so we will not be forced to increase school fees. Currently in Kenya, our Men, Women and children's ministries have been able to resume after being crippled by COVID for more than a year. We pray for the resumption of our specialized ministries as well. At the Bible College, we hope to run six block classes this year and to be able to offer more at other locations. Two of the churches established by the African Baptist Bible Mission now have buildings to worship in every Sunday. The goal is now to plant them in a location that heightens the work of discipleship and evangelism.
