### Missionary of the Week

**Tom and Donna Wolfe —IPM—** In March I worked in Arequipa, Peru. We held a new course in the Bible seminary on Essential Homiletics. We also conducted a Missions Conference in the main church. I also preached in several of the new church planting works in southern Peru. I have been working in Guatemala and plan to return later this year. During recent weeks, I have been consulting in Nepal regarding the formation of their Bible institute and training church planters. In August, I go to Liberia to work with our ministry in Ganta County and the northeastern region of the country. I have my flights and will soon be applying for the entry visa. Please pray that goes smoothly. In September, I will be going to the Dominican Republic. In November, I will be going to the Philippines or Guatemala. In all these places we have developed Bible schools for training the Lord's laborers for the fields. Thanks for your prayers and fellowship!
