## Missionary of the Week

**Raymond and Leila Abou-Mekhael — Middle East** — In March, my wife and I went to Egypt to seek ministry opportunities. We are in the process of building a partnership with a pastor there. Our ministry in Turkey has been growing. We are helping that church to train people to teach in Sunday School and to preach. We thank the Lord for the 5 baptisms in the church plant here in South Lebanon. There have also been 5 additional baptisms in the past few months from other ministries. We were able to conduct 8 camps that were attended by 234 campers. Please pray for the economic situation in Lebanon. This is hindering many kids and teens from attending camp. We are planning to be in the US in the fall of 2022 for 2 months. For the past 20 years we have had no issues with renewing our visas, however now, authorities are requiring background checks. We have been waiting for a month to hear back from them. Please pray for our visa situation.
