## Missionary of the Week

**SIBBC** — The college will be celebrating its 40<sup>th</sup> academic year, and we are very thankful for God's faithfulness in our ministries. We are encouraged to see a great enrollment of 346 students on campus and 82 online. We have students from all over our country and neighboring countries. We also have about 765 students in the academy schools, which is the largest enrollment so far. The college has been praying for a church building on campus for many years. It will be an auditorium for 1,500 people that we will be able to use for services and conferences. The Lord has provided the needed funds for the three graduates that are involved in church planting ministry. There are about 15 students from Home of Hope who are in college and have a need for educational expenses. Please pray for them. We are excited to report that between youth camp and VBS, there were 1,112 saved and 59 desiring baptism.
