Missionary of the Week

Tom & Penny Latham— Brazil—After 20 years of leaking, we finally have a new roof on the church. This insulated roof should help keep the heat out during a blazing summer in Brazil. At the public school we have been working with for over 20 years, we train over 80 wrestlers. This includes church kids, as well as some from other schools. They have begun to allow us to do this during school hours. This is a rare opportunity here. We plan to continue this outreach in 2023. We now have the paperwork done for starting the dorm. We will possibly be able to start construction in a month or so. Penny spent 3 days in the hospital with pneumonia, then had a two-week battle with high blood pressure. She is better now, but not out of the woods yet. Please continue to pray for Penny's and my health issues, the spiritual growth in our adults and the salvation of the visitors and teen groups in our services.
