Missionary of the Week

Troy & Oksana Manning— Bible Translation—God gave much wisdom as I guided training for our newest project, the Muslim Tat NT. Pray for this team as they learn how to use the Bible software to make hundreds of needed improvements. Pray for good interest in the block course we'll be teaching at Faith Baptist College in January and for the internships next summer. We are so thankful that Oksana passed her driving test in July. Pray also for continued protection and provision for family and friends in Ukraine. While at home for a few months, I hope to complete the semantic domains project and editing of the BI English Translation Model. Pray for grace to complete these huge projects. Pray also for God to provide a Finance & Operations Manager and an Advancement Manager for BI.
