Missionary of the Week

Raymond & Leila Abou-Mekhael—Our church plants in two nearby cities have grown since the beginning of last year. The ministries at the church in another local area have continued weekly as well. We have had a total of 15 baptisms this year and our church is still growing. For Easter and another public holiday, the entire church distributed 21,000 tracts. We were also able to expand our ministry training in another country and held a seminary conference and a Bible interpretation class with 26 students. Last year there were 34 camps for groups of all ages totaling 1,483 campers. All the rooms in our current building were full during camp. Progress for a new building is coming along nicely. We made two trips to a nearby country last year and we plan on returning in February to conduct another teaching seminar on biblical preaching and introduction to the New Testament. Pray for these villages that do not have any access to Gospel-preaching churches.
