Missionary of the Week

Matias & Kristine Espinel — Uruguay—After returning from our Stateside furlough in December, we had an opportunity to share the Christmas message with the residents of a home where one of our church members lives. The residents were thrilled to be able to sing along and begged us to return. Please pray we would be granted permission to return on a regular basis and have the right group for this ministry. Our Bible College (FEBU) began new classes in the first week of March. Please be in prayer for the students and teachers involved in this semester. Also, be in prayer that funds would be provided for the future expansion of our church building, wisdom for future decisions for FEBU in the new school year, and the salvation and growth of our children. Please pray for wisdom about our children's schooling for this year.
