Missionary of the Week

Sam & Penny-Sue Laterza — Asia—In the middle of January, we took our first trip outside of our province in more than a year. We have been able to continue our regular ministries. I am continuing with online teaching as well. Each week I have two separate online Bible studies and am also preaching for a local group online. This year we pray to be able to do summer camps in at least two or three different cities. Please pray also for the approval and processing of our visas. This year I need to renew my passport number before we can apply for our visas, which expire this month. The process entails going to multiple government buildings and offices. We are unable to do this ourselves and must rely on others to understand the importance and time-sensitive deadlines. We are trusting the Lord to go before us and prepare the way.
