Missionary of the Week

Jeremy & Caroline Dion— Papua New Guinea—In October, the church unanimously voted for Silas to become their assistant pastor. Over the past few months or so we have had over a dozen professions of faith! We have also had several church members give public testimony of repentance about sin that they were involved in. One of those men, Beri, has been away from the Lord and under church discipline for over 10 years. Recently, his wife, Julie made a profession of faith and the Lord used that to bring Beri to the point to where he was ready to repent. In May, our 3-year work permit, accompanying visas and the kids' passports will all be due for renewal. There is only one government official that can do these passports, and they are in Port Moresby. Please pray for us that they would make themselves available more locally soon, as they sometimes do, so that we don't have to fly our entire family to Port Moresby.
