## Missionary of the Week

**Tom & Penny Latham — Brazil**—The city approved our wrestling program. This means I am officially a PE teacher in the public school system. This is very rare and unheard of and took 20 years to accomplish. Last week, 325 miles north of here, a 25-year old man entered a nursery school and slaughtered four small children. There have been threats all over Brazil and these murderers have even made it a game with points, depending on how young the children are. Parents are scared and as a result, less and less children are showing up, and schools all over Brazil are even shutting down. We need prayer for these things to stop. Penny is currently not able to walk and is now under hospice care until she improves. We still do not have her results back from the MRI about the spread of cancer. Please pray for hers and my health issues. Also, pray for the salvation of the visitors in our services and spiritual growth in our adults.
