Missionary of the Week

Troy & Oksana Manning — Bible Translation—I was able to complete the huge semantic domains project after having started it in November 2020. An even greater milestone, though, was that Oksana became a US citizen on December 5. We also praise the Lord for His provision of funds. Some very generous donors gave \$203,000 to complete the funding of the Sara Madjingay Bible project's need, and to completely pay for our Asia Consultant Seminar in September and to enable us to have our first ever Translator Seminar and Retreat, also in September. We hope to have translators from four different Asian countries for the latter event. Pray for guidance in the planning for this. All four Bible projects coming to completion this year are fully funded. Pray that nothing would hinder their timely completion. Pray also for good reception of the Bibles being dedicated this quarter.
