## Missionary of the Week

**Ed & Barbara O'Brien — Planting Hispanic Churches**—In the month of March we saw 12 adults and teenagers come to receive Christ as their personal Savior. Please pray that the Lord will work in their hearts to attend church and be discipled. Please pray for health problems that both Barbara and I are having. The doctors say that Barbara needs surgery on her esophagus and also another area. We do not have peace about her surgery and are praying that the Lord will bring healing through natural treatments and diet changes. I am still suffering from complications due to a huge bladder stone that had to be removed surgically last December 7. Please pray for the family of Margarito Morales in Mexico. Their little girl who received Christ as her Savior just a couple of months ago, recently passed away from complications from an epileptic seizure.
