Missionary of the Week

Ken & Sarah Beckley – Benin – In early June, we received word that the ministry of health has finally given official approval and recognition to the medical clinic in the north. Ever since it opened in 2017, the clinic has functioned under temporary local authorizations. West African red tape is notoriously slow! Praise God with us that this major milestone has been achieved. The clinic can now fully function and we can begin planning for the addition of a maternity ward. In July, Ken had the opportunity to officiate Andrew and Madi's wedding! The Gospel was clearly presented. Please pray that the Lord will work in the hearts of family and friends, many of whom do not yet know Him.
