Missionary of the Week

Andy & Mimi Bonikowsky – Basque Region of Spain – In the month of June, we hosted another intensive institute for the believers. Missionary friend, Kent Albright, taught five hours from 1 Corinthians 1-8. Our co-worker, Tete, teaches the women's Bible class every Sunday morning. We've recently had to move it into the auditorium because the room they were in was no longer big enough. On August 22, I had a basal cell carcinoma extracted from under my right eye. According to biopsy results, the tumor was completely removed. I was given preventive measures to take and warned that I would be susceptible to future malignancies. Then the doctor thanked me for the gospel book I gave him. Mimi and I just returned on September 5 from a retreat in southern Spain that we were involved in. What a blessed time and a privilege to serve with the Bells and their congregation
