Ferdinand & Gloria Reynon – The Philippines –In my last newsletter I shared about two families that belonged to the charismatic church. They have since shut their doors for Bible study with us. The other family simply told us that they would let us know when we could resume the study, but never called again. There are however, souls that turned to the Lord for salvation and were baptized. One of them is an adult male named Arnold that is married to one of our church members. Please pray that Arnold and the 9 others will continue to grow in their faith. We could use some more students so that the income could compensate our faithful teachers. Individuals are paying our students' tuition from churches that support us.
