Warren & Lara Vergiels – Brazil – A few weeks ago, a middle-aged couple, who started attending our services several months ago, realized that they had never truly accepted Christ. They were from a Pentecostal background and had always gone to church but had never repented and accepted the Gospel for themselves. They asked Warren’s parents to meet with them at their house, and on this occasion, they accepted Christ! Soon we will begin a study with them in preparation for baptism. In late December, Warren’s dad underwent a heart catheterization and had two stents put in. He is recovering well. Please pray for healing. We are planning our first furlough starting in September of this year and going through May of 2025. We are looking forward to reconnecting with many people.
