Rapidan Baptist Camp – Throughout 2023 we saw the Lord provide for the camp in many ways both large and small. Our Dam & Lake projects were completed and the AC unit for our lodge was replaced. We were also able to have our windows replaced in a camp house and electrical repairs completed in our new cabin. The well for the lodge and cabin area failed after our last retreat in November. After reviewing our current well situation, we have been advised that a new well is our best course of action. We are in the process of preparing to have a new well drilled. We would like to raise at least \$25,000 to help cover the cost of drilling a new well and making the necessary upgrades to the electrical and pipes in our current pump house.
