Ben & Marie Muldoon – Romania – The Lord has given us several opportunities to participate in evangelism at nearby parks with local Romanian believers. Not only do we continue to develop language as we listen to the Romanians share the Gospel, but we also get language practice as we fellowship with them. We finished our mid-term exams for Romanian language level B1 on April 24. We are so grateful for our Argentinian babysitter who takes good care of our kids while we are in class. In April she asked Marie for some family advice that led to a Gospel conversation! Thank you for your prayers for Alex (the young Romanian man that I have been discipling) and for his health crisis. As his health improves, he has been shuffling around sharing the Gospel with others and continuing his discipleship with me. Please continue to pray for wisdom in this relationship and for his health to be fully restored.
