Matias & Kristine Espinel – Uruguay – In mid-March we moved from our home in the center of the capital city of Montevideo to a house out in the “country” in the department of Paysandu, four hours north. Lord willing, we will make a more permanent move in 2025. The biggest change has been the change in our community of friends. Please pray that we might meet and form new relationships with lost souls and for boldness to share our faith with them. Our FEBU classes are taught online, so Matias can teach from anywhere in the country, and our children are homeschooled this year. We are now involved in two different churches-our new church in Paysandu, and our church in Montevideo. We appreciate your prayers for us during this time of transition and especially as we seek the Lord's will for the future new ministry.
