Jon and Lena Stover – Germany – Encouraging news! A friend of their co-missionary's daughter, Celina, began coming to church and had a lot of questions about the Bible. During this time, she trusted the Lord as her Savior! She has been growing, but her family has begun restricting how much she can attend church. **Pray** for the work of God in this family's life. Simeon is continuing to improve with the language, although at a slower pace. They are praying about putting him into kindergarten (German kindergartens are like daycares) for a few hours to help him learn German better and allow them to connect with new people. Jon recently has finished his language training and civics class. Lena is going to begin hers. She will be in class for 4 hours during the afternoon for the next nine months. She is already a little nervous about the intensity of the class. Please **pray** for her language ability and strength.
