South India Baptist Bible College & Seminary—Our ministry's heartbeat is establishing churches in India and neighboring countries. Currently, we support 51 pastors every month. This is becoming increasingly tough in these areas where Christians are being persecuted for their faith. A great door has opened to start a church in the city of Thirupur. A young man, a Hindu convert who studied at our college, is laboring there to do just that. Please pray that he will receive the needed monthly financial support for his basic needs and a place to worship. Please pray also for many to come to know the Lord through our soul-winning programs, and for the funds and completion of our many expenses and projects.
