Andy & Mimi Bonikowsky– Northern Spain– This August, we had our 10th annual Christian Workers retreat, with Spanish pastors and missionaries from numerous ministries around Spain. On October 10, Mimi took her dad to have ear surgery to correct some serious hearing loss he has suffered this year. The surgery went well, but he is experiencing some balance issues. We then traveled to Washington to be with my dad as he underwent an 8-hour chemo treatment for the Lymphoma he was diagnosed with in May. The swelling that my dad had in his eye has gone down, but he is having difficulty with focus, so he wears an eye patch. We are thankful for the army of prayer warriors who have kept him before the throne of grace.
