**Jeremy & Caroline Dion– Papua New Guinea–** Baby Charlotte has continued to do well since her birth on June 9<sup>th</sup>. We were blessed that Caroline's mom was able to fly in from Phoenix and stay with us for almost 2 months. The grandkids really enjoyed time with her, and she proved a great help to us as we adjusted to having a baby in the house and also as we prepared for another year of homeschool. We were on the road in August, visiting more than 9 supporting churches. We are thrilled to share that Cherith Hamilton has been able to return to PNG to help as a nurse at the clinic in Aibai until the end of the year. Please pray for our coworkers as they continue their ministry in Kiari. Many of the believers are experiencing trials and temptations of one sort or another, and we are burdened that they will respond in faith.
