Raymond & Leila Abou-Mekhael – The Middle East–

We are still in contact with 2 church planting prospects in North Africa. We have invited one of them to visit us to get to know them better, introduce our ministry, and make certain of his doctrinal beliefs. Please pray for all of our church plants and financial needs associated with our ministries. In August, I had surgery for a nodule on my vocal cords. Praise the Lord that all went well. Please pray for Grace as she has anemia and has lost a lot of blood in the past weeks. We were not able to get her to a hospital last week because they were all full of injured people. We are hoping to get a place in the hospital soon.
