Laterza- Asia- Since the beginning of this year we have lost several friends ranging in age from just 19 to 79. These losses have deeply impressed upon us the importance of redeeming the time the Lord has given us. After returning to Asia in November of 2024, we jumped right back into a very full schedule. Penny-Sue was invited to lead a ladies’ retreat for several churches we partner with in the capital city. Sam had the opportunity to travel to a neighboring country to teach a group of local pastors. At the end of December, a fellow pastor was called by the authorities. Though no formal charges have been brought against him, his passport was seized, and he has been warned that he is now under surveillance. In January, we relocated our home closer to our expat ministry. Being nearer has allowed us to open our home for ministry in ways we couldn’t before. On the family front please pray for each of our parents, who are facing ongoing health challenges
