Ed & Barb O’Brien-I am very happy to let you know that my surgery went well, and my recovery has been much better than expected. Please continue to pray that the Lord will restore me to complete “health” soon. As for our ministry, in July we held a special two-day family conference with several Hispanic pastors from different states. These pastors also brought families from their churches. The preaching was great with attendance between 145 and 150. Thank you again for your faithful prayers and financial support.
